

Technical Data Sheet

PRODUCT CODE
NTPL-LH6

Aluminum Alloy RF System

Center Frequency: 8.2 Mhz

Voltage: 110/200-250V

Material: Aluminum Alloy

Main Board: 3820 Analog Signal Board

Dimension (CM) :): 166*42*10

Cartoon Size (CM) : 171*50*19

Gross Weight: 15.5KG

Packing Qty: 2 Pieces/Cartoon

Function: Install on the store to anti-theft

Warranty: 2 Years

Input Voltage: DC 24V

Brand Name: Nepstech

Product Name: EAS RF Security System

Color: White

Applicable Scope: Supermarket, clothing store, cosmetic stores, retail stores
